No. 45. Resolution Adopting a Tax Increment Financing Plan presented by the Urban Redevelopment Authority of Pittsburgh creating the Fulton Building Tax Increment Financing District, and making certain findings -- Council District No. 6.

WHEREAS, Pennsylvania's Tax Increment Financing Act 53 P.S. §6930.1 et seq. (the "Act") provides local taxing bodies legal authority to cooperate in providing financing for development of blighted areas within their respective jurisdictions in order to increase the tax base and improve the general economy; and

WHEREAS, under the Act, the Urban Redevelopment Authority of Pittsburgh (the "Authority") is legally empowered to prepare a Tax Increment Financing ("TIF") proposal to provide

financing for the elimination and prevention of the development or spread of blight within specified tax increment districts located in the City and to present such Proposal to the City for its consideration; and

WHEREAS, the City has previously by resolution endorsed the concept of a TIF plan for financing the historic renovation of the Fulton Building (the "TIF Project") to be located in a portion of the Cultural District Redevelopment Area identified as the Fulton Building TIF District (the "TIF District"), requesting the Authority to prepare a detailed TIF Proposal and designating the City's representative to work with the Authority, the County of Allegheny and the City of Pittsburgh School District toward development and implementation of a TIF plan; and

WHEREAS, the County and the School District have also adopted resolutions indicating their respective commitments to participate in a TIF financing for redevelopment of the TIF District; and

WHEREAS, the Authority, working with the designated representatives of the City, the County and the School District, has adopted and recommended a Project Plan in accordance with the requirements of the Act; and

WHEREAS, the Act provides for the cooperation of local taxing bodies in the financing of projects within TIF districts and for the issuance of debt to pay for certain of the costs of implementing such plans; and

WHEREAS, the City is expected to benefit from the use of tax increments to pay certain project costs within the TIF District by stimulation of private investment,

increases in property values, creation of employment opportunities and improvement of surrounding properties;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. The Tax Increment Financing Plan (the "Project Plan") prepared by the Urban Redevelopment Authority of Pittsburgh and filed with the City Clerk for financing the costs of the historic renovation of the Fulton Building (the "TIF Project") located in the Fulton Building TIF District is hereby adopted and the TIF District specifically described in the Project Plan is hereby created.

SECTION 2. The boundaries of the TIF District shall be as identified in the Project Plan and shall include only those whole units of property assessed or assessable for general property tax purposes.

SECTION 3. The TIF District is created as of January 1, 1998 and shall continue in existence for a period of twenty years from the date of its creation.

(c) the aggregate value of equalized taxable property of the TIF District, plus all existing tax increment districts, does not exceed 10% of the total value of equalized taxable property within the City;

(d) the area comprising the TIF District as a whole has not been subject to adequate growth and development through investment by private enterprise and would not reasonably be anticipated to be adequately developed or further developed by private enterprise without the adoption of the Project Plan;

(e) A feasible method exists for the compensation of individuals, families and small businesses, if any, that may be displaced by the TIF Project and for the relocation to decent, safe and sanitary accommodations within their means, without undue hardship to such individuals and businesses;

(f) the Project Plan conforms to the City's master plan;

(g) the Project Plan will afford maximum opportunity, consistent with the sound needs of the community as a whole, for the rehabilitation or redevelopment of the TIF District by private enterprise; and

(h) the TIF District is a blighted area containing characteristics of blight as described in the Urban Redevelopment Law and the TIF Project to be undertaken is necessary to eliminate such conditions of blight.

SECTION 6. Tax revenues due, owing, and received by the City from the pledged parcels, to the extent described in the Project Plan, are hereby pledged, and a security interest is hereby granted, to secure the repayment of any debt incurred by the

Authority for the purpose of financing the TIF Project.

SECTION 7. The appropriate public officials of the City are hereby directed to take such additional actions in cooperation with the Authority, the County and the School District in furtherance of the implementation of the Project Plan.

No. 408. WHEREAS, the Pittsburgh Community Reinvestment Group, organized in 1988, consisting of 28 community based organizations in partnership with 13 local lending institutions in accordance with the Community Reinvestment Act of 1977, has negotiated agreements resulting in 3 billion dollars worth of commercial and residential investment in Pittsburgh's low and moderate income neighborhoods, and;

WHEREAS, we believe that the integrity of the Community Reinvestment Act and the Pittsburgh Community Reinvestment Group is essential to urban revitalization by partnering with financial lenders to insure a healthy infusion of capital for equitable commercial and

residential growth in our lower income communities, and;

WHEREAS, banking and other financial institutions operate under public charter, are custodians of locally deposited funds, are federally insured and have available discounted government financing, and;

WHEREAS, the Community Reinvestment Act, which makes banking institutions accountable to the communities they serve, is threatened in the United States House of Representatives by certain provisions in HR 10 ("Financial Modernization" Act), and;

WHEREAS, the "safe harbor" provision of HR 10 shifts the burden of financial compliance from the institutions, which had to prove themselves "good neighbors", to the community, which has far fewer resources to challenge a bank's rating, and

WHEREAS, the small bank exemption of HR 10 eliminates compliance standards for institutions with less than \$100 million in assets, which would allow two-thirds of the nation's financial institutions to avoid the Community Reinvestment Act's provisions, and;

WHEREAS, the removal of "firewall" protection under HR 10 would permit the merging of banking institutions with insurance and security firms, which could dilute the overall pool of funds available for mortgage loans, particularly in the Community Reinvestment Act's target neighborhoods.

NOW, THEREFORE, LET IT BE RESOLVED, that the Council of the City of Pittsburgh joins with Mayor Tom Murphy

and City Controller Tom Flaherty in opposition to "safe harbor" and small bank exemption provisions and the removal of firewall protection that would adversely affect the Community Reinvestment Act (CRA) , and;

BE IT FURTHER RESOLVED that the Council of the City of Pittsburgh urges all Members of the United States House of Representatives to vote NO on HR 10 unless it ultimately strengthens, not dilutes, the Community Reinvestment Act.

No. 455. Resolution adopting Amendment No. 2 to the Center Triangle Tax Incremental Financing Plan Presented by the Urban Redevelopment Authority of Pittsburgh, and Making Certain Findings.

WHEREAS, Pennsylvania's Tax Increment Financing Act 53 P.S. §6930.1 et seq. (the "Act") provides local taxing bodies

legal authority to cooperate in providing financing for development of blighted areas within their respective jurisdictions in order to increase the tax base and improve the general economy; and

WHEREAS, under the Act, the Urban Redevelopment Authority of Pittsburgh (the "Authority") is legally empowered to prepare a Tax Increment Financing ("TIF") proposal to provide financing for the elimination and prevention of the development or spread of blight within specified tax increment districts located in the City and to present such Proposal to the City for its consideration; and

WHEREAS, the City has previously by resolution dated December 5, 1995, created the Center Triangle TIF District and adopted the project plan in connection therewith for the developing of property located at Fifth Avenue and Wood Street and other public and private development in the TIF District; and

WHEREAS, the City has previously by resolution dated October 28, 1998, modified the Center Triangle TIF District, as amended by Amendment No. 1, and adopted the project plan in connection therewith for the developing of property located at Centre Avenue, Sixth Avenue, Fifth Avenue and Ross Street and other public and private development in the TIF District; and

WHEREAS, the City has previously adopted a resolution endorsing the concept of a TIF plan for financing of certain building and other improvements within the Second Avenue Redevelopment Area (the "Firstside Development") and the Inner Triangle Redevelopment Area (the "Fifth Avenue and Forbes Avenue retail corridor"), requesting the Authority to prepare a detailed TIF proposal and designating the City's representative to work with the Authority, the County of Allegheny and the School District of Pittsburgh toward the development and implementation of such a TIF plan; and

WHEREAS, the County and the School District have also adopted resolutions indicating their respective commitments to participate in a TIF financing for the Firstside Development and the Fifth Avenue and Forbes Avenue retail corridor; and

WHEREAS, the Authority, working with the designated representatives of the City, the County and the School District, has adopted and recommended a TIF Plan, in the form of Amendment No. 2 to the Center Triangle TIF Plan, and in connection therewith recommends an amendment of the Center Triangle TIF District such that the District would include portions of the Lower

Hill, Inner Triangle, Stanwix-Market, Cultural District and Second Avenue Redevelopment Areas, as described in Amendment No. 2 to the Center Triangle TIF Plan, in accordance with the requirements of the Act; and

WHEREAS, the Act provides for the cooperation of local taxing bodies in the financing of projects within TIF districts and for the issuance of debt to pay for certain of the costs of implementing such plans; and

WHEREAS, the City is expected to benefit from the use of tax increments to pay certain project costs within the Center Triangle TIF District, as so amended (the "TIF District") by stimulation of private investment, increases in property values, creation of employment opportunities and improvement of surrounding properties;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. The Amendment No. 2 to the Center Triangle Tax Increment Financing Plan (the "Project Plan") prepared by the Urban Redevelopment Authority of Pittsburgh and filed with the City Clerk for financing of certain building and other improvements within the Second Avenue Redevelopment Area (the "Firstside Development") and the Inner Triangle Redevelopment Area (the "Fifth Avenue and Forbes Avenue retail corridor") is hereby adopted substantially in such form and the School District, in accordance with the Act, hereby agrees to participate in whole in the Center Triangle TIF District, as amended to the extent and as provided for in the Center Triangle Tax Increment Financing Plan as amended by Amendment

No. 2; provided, however, the approximately \$7 million of tax increment proceeds available for the Fifth Avenue and Forbes Avenue retail corridor, as described in the Project Plan, will not be expended for such purpose without the prior approval of the local taxing bodies.

SECTION 2. The boundaries of the Center Triangle TIF District shall be amended as identified in the Project Plan and shall include only those whole units of property assessed or assessable for general property tax purposes.

SECTION 3. The Center Triangle TIF District is amended as of the effective date of this resolution, and the Center Triangle TIF District, as amended, shall continue in existence for a period of twenty years from such date.

SECTION 4. As of the effective date of the amendment to the Center Triangle TIF District, neither reimbursement for previously incurred costs nor payment of previously incurred tax increment financing for the Center Triangle TIF District has been made, and therefore pursuant to Section 6930.6(c) of the Act, the tax increment base for the existing Center Triangle TIF District will not be redetermined as a result of the amendment being made hereby.

SECTION 5. After due consideration, the City finds as follows:

(a) the Center Triangle TIF District, as amended, is a contiguous geographic area within a redevelopment area or areas;

(b) the improvement of the area is likely to enhance significantly the value of substantially all of the other real property in

the Center Triangle TIF District, as amended;

(c) the aggregate value of equalized taxable property of the Center Triangle TIF District, as amended, plus all existing tax increment districts, does not exceed 10% of the total value of equalized taxable property within the City;

(d) the area comprising the Center Triangle TIF District, as amended, as a whole has not been subject to adequate growth and development through investment by private enterprise and would not reasonably be anticipated to be adequately developed by private enterprise without the adoption of the Project Plan;

(e) A feasible method exists for the compensation of individuals, families and small businesses, if any, that may be displaced by the Firstside Development and the Fifth Avenue and Forbes Avenue retail corridor and for the relocation to decent, safe and sanitary accommodations within their means, without undue hardship to such individuals and businesses;

(f) the Project Plan conforms to the City's master plan;

(g) the Project Plan will afford maximum opportunity, consistent with the sound need of the community as a whole, for the rehabilitation or redevelopment of the Center Triangle TIF District, as amended, by private enterprise; and

(h) the Center Triangle TIF District, as amended, is a blighted area containing characteristics of blight as described in the Urban Redevelopment Law and the Firstside Development and the Fifth Avenue and

Forbes Avenue retail corridor to be undertaken is necessary to eliminate such conditions of blight.

SECTION 6. Tax revenues due, owing, and received by the City from the pledged parcels, to the extent described in the Project Plan, are hereby pledged for the purposes set forth in the Project Plan, and a security interest is hereby granted, to secure the repayment of any debt incurred by the Authority for the purpose of financing the Firstside Development and the Fifth Avenue and Forbes Avenue retail corridor.

SECTION 7. The appropriate public officials of the City are hereby directed to take such additional actions in cooperation with the Authority, the County and the School District in furtherance of the implementation of the Project Plan.

SECTION 8. Any Resolution or Ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.
